

Treating the World's Bumps & Bruises

# GEL NECK & SHOULDER WRAP

TARGETED PAIN RELIEF

Our Gel Neck & Shoulder Wrap uses hot or cold therapy to help treat everything from sports injuries to headaches to general aches and pains specifically in the neck and shoulder area. Made with our soft deluxe fabric, the wrap can be applied directly onto skin. It is also filled with our Contour-Gel that molds to the body and always stays flexible, at any temperature, to calm inflammation in the neck and shoulder area fast.

## BENEFITS

**COLD THERAPY** – For immediate injury treatment

- **Relieves aches & pains:** Reduces inflammation and muscle spasms
- **Reduces swelling & bruising:** Helps soothe pain by reducing blood flow to the area
- **Numbs the sore area:** Works effectively to reduce pain

**HOT THERAPY** – For ongoing pain & stiffness

- **Encourages quick recovery:** Increases blood flow to help heal damaged tissue faster
- **Soothes stiff joints:** Improves flexibility and helps improve mobility
- **Eases muscle aches:** Adds comfort to muscles and calms soreness

## FEATURES

- Designed specifically for the neck and shoulder area
- Soft deluxe fabric can be applied directly to skin (no need for a cover or towel)
- Flexible/moldable, even when frozen

We have a variety of size and packaging options available to meet your needs.
