

COLD CHAIN TRANSPORTATION GEL PACK

NON-TOXIC, LONG-LASTING AND ECONOMICAL PROTECTION FOR TEMPERATURE SENSITIVE SHIPMENTS

Gel packs provide an economical choice for safe transport of temperature-sensitive items. Rapid Aid's Transportation Gel Packs are sealed in a heavy duty pouch that can be easily cleaned for reuse and contain a non-toxic gel that cools more uniformly and colder than ice. Ideal for the pharmaceutical and food industries, these packs will help your products maintain their required storage temperatures during transit.

GEL PACK PRODUCT FEATURES AND BENEFITS

- Gel packs are sealed in a heavy duty pouch that can be easily cleaned for re-use
- Uses a non-toxic gel that cools more uniformly and colder than ice
- Food grade per FDA regulation
